

# ADUR COMMUNITIES TOGETHER

MONDAY 18th OCTOBER 2021

OPEN MEETING

# Share your concerns, ideas and actions

*ACT is an alliance of local community groups:*

- *The Shoreham Society*
- *Shoreham by Cycle*
- *Transition Town Shoreham*
- *AREA*
- *Over the Moon*
- *Kingston Beach Residents Association*

*... and growing ...*

## Introduction

- Development & Building Quality (20 min)
- Parking (10 min)
- Pollution (10 min)
- Transport (20 min)

Break (20 min) – Mix and share ideas

- Health (5 mins)
- Education (15 mins)
- Open Discussion (~20 mins)

Wrap-Up (Brief)

20  
min

# Development & Building Quality

- Government targets
- Local plans
- Private Sector Developers
- Council Deregulation

## 0 - 2 yrs

Major developments already built or planned in the near future (excluding New Monks Farm)

- 1,685 Units
- 4,028 People<sup>1</sup>
- 2,022 Cars<sup>2</sup>

## 5+ yrs

Additional major developments that could *potentially* be realised within 5 yrs.

- 1,000 Units
- 2,289 People<sup>1</sup>
- 1,200 Cars<sup>2</sup>

10  
min

# Parking

- WSCC Parking Calculator /reasoning behind system
- How developers use the system
- Comparison of housing numbers and parking places provided
- Local guidance-churn
- Results – tempers, pollution

10  
min

# Pollution

- How and what is measured
- Local measurements
- English and WHO guidelines
- Health risks
- How developers measure / model levels /mitigation

20  
min

# Transport

- Increase in Traffic Movement & Congestion
- Increase in Parking Difficulties
- Increase in Traffic Noise
- Increase in Air / Environmental Pollution
- No space to build more roads
- How do we get away from the dominance of car travel?
- How do we encourage Active Travel in the community?

20  
min

# Break

Mix and share ideas

ADUR COMMUNITIES TOGETHER

5  
min

# Health

- Each GP in Shoreham to look after an extra 150 patients (extra 94 in Lancing and Sompting)
- An extra 228 GP appointments per week in Shoreham (118 in Lancing and Sompting)
- 22.4% of patients in W Sussex are over 65 (17.6% nationally) meaning greater and more complex care
- Number of GPs in Shoreham - 25 in 2020, 19.8 now
- GP funding would increase as the patient list does

15  
min

# Education

## Now

- Primaries expanded since 2012
- Secondaries now at capacity
- Local school not guaranteed
- **What is WSCC's plan?**

## Planned

- 3,718 dwellings in local plan
- NO clarity on school provision
- Huge underestimation of children in new developments
- LA forecast 75 kids per 1,000 persons. Could be 230 – 313 kids per 1,000 persons
- **Need 2 new primaries and one new secondary school**

## Broken system

### Adur District Council

- Responsible for planning approval
- Have to hit housing targets regardless of INFRASTRUCTURE
- Generates demand, no responsibility to supply

### West Sussex County Council

- Responsible for planning & provision of all state school places in West Sussex/Adur. CANNOT open new schools!
- Can only expand existing LA schools (& ask Academies)
- All the responsibility but little actual power
- New schools are Academies, Free Schools, Voluntary Aided or Trust Schools, lobbied by DoE

Let's discuss : What does this mean for Shoreham's children? For traffic?  
What do you want? FAST – can YOU help?

20  
min

# Open Discussion

ADUR COMMUNITIES TOGETHER

# We need your help ...

- **Development & Building Quality** - Study planning applications and send in your comments. Show up in-person at critical planning meetings – we'll let you know when they are.
- **Pollution** - Keep track of NO<sub>2</sub> and PM2.5 levels on Sussex-Air website. Instructions on ACT Facebook page. Turn off your engine when stopped.
- **Parking** – Walk, cycle or take public transport when you can.
- **Transport** – Start reading some of the key documents : WSCC's Adur Transport Strategy, A&W's Local Cycling and Walking Infrastructure Plan. Check out the Shoreham-By-Cycle campaign.
- **Education** - Follow FAST (Future of Adur Schools Team) on Facebook, and join the FAST team – it urgently needs people to run it to get answers on school places.

*Please sign up by completing the slip on your chair*

# We will...

- Give you the opportunity to get involved – starting now
- Review – the concerns, ideas and actions raised this evening ... and prioritise
- Keep you informed – ACT Facebook, leaflets, in person, Zoom etc.
- Continue taking action – starting now

Thank you for taking the  
time to share your concerns,  
ideas and actions.
